* WHAT IS RUNWILD?

Leading Edge Physiotherapy is proud to present the RunWild Leading Edge Marathon. This inaugural event will not only commemorate the 150th Anniversary of the City of St. Albert, but will also help raise money for an essential service: the Zebra Child Protection Centre.

The RunWild Leading Edge Marathon is an opportunity to present our passion for healthy living, physical activity and social awareness. Our intention is to share with St. Albert an event that will make history as well as raise money for an important charity in our community.

As Alberta's newest road race and pending Boston Marathon Qualifier, the RunWild Leading Edge Marathon is promising to be a challenging, competitive and fun event with a race designed for everyone of any level. Events include the RunWild Leading Edge Marathon, Half Marathon Walk and Run, 10K, 5K Walk and Run, and WildOnes Kids MaraFun.

So mark it in your calendar, get ready to lace up your sneaks, and join hundreds of other runners and walkers for the inaugural RunWild Leading Edge Marathon on May 15th 2011.
